Dear Phil:

Attached is a copy of the survey results from the "Posting Survey" sent out on 5-20-85. I believe this is a subject the executive board wishes to discuss at the meeting later this week at Alderbrook Inn.

Based on the results as I see them, I do not anticipate suggesting any changes be made to the current posting requirements. If any members of the industry wish to petition the board for a change, the survey results would be considered by the board.

I find it is interesting to note that under "Suggestions" (remarks) a number of people suggested that both beer and wine postings run from the 1st of the month to the end of each month. My staff informs me that the reason wine runs from the 1st of each month to the end of each month, and beer price postings run from the 15th of each month to the 15th of the next month is due to the request of the industry.

It seems the old saying is true, "You can't please all the people all the time". However, since the current system seems to be working adequately for the majority of those affected, since it ain't broke I will not be trying to fix it.

See you Friday!

Sincerely,

Jan Britt, Supervisor
Manufacturers, Wholesalers
and Importers Division
